

BRIAN LEE IN CHARGE

THE Football Association have decided to revive their representative matches in non-league football this season. And the man in charge of the teams is Wycombe Wanderers manager Brian Lee.

The arrival of 'open' football two years ago brought an end to the F.A. Amateur XI's and also Amateur Internationals.

Mr. Lee has agreed to take over as manager of the teams and five matches have been arranged this season. The first is on Tuesday, January 20 at Wealdstone's ground against the R.A.F. The others are February 18: v U.A.U. at York City, March 3: v British Colleges Sports Association at Cheltenham, March 17: v London University at Kingstonian, April 7: v A.F.A. at Dulwich Hamlet.

Brian hopes to include no more than two players in his teams from any club and will select from the Rothmans Isthmian and Southern Leagues. His squad for the match at Wealdstone next Tuesday includes Keith Mead and Paul Birdseye from Wycombe, and former Wanderers Gary Hand, Alan

Phillips, Paul Barron, Alan Gane and Keith Searle.

Brian Lee's appointment will keep him in touch with non-league football after he has relinquished the job as manager of Wycombe Wanderers, which is expected to be in the not-too-distant future.
